Subject: Passaic Proposed Plan

Mathy, Judith and Barry:

Attached is a copy of the Passaic Proposed Plan that includes revisions to address the commitments made in the March 19 email to the Administrator. Those revisions have been agreed upon after review and discussion among OSWER-OSRTI, OECA, OGC and Region 2.

We are now submitting these revisions for your review. The revisions in question are highlighted in red throughout the document so they can be easily located. (The pertinent revisions appear on the following pages of the attached document: 2, 22-24, 28, 35, 38-40, 42-43.)

PLEASE NOTE: This attached version of the Proposed Plan does NOT incorporate a number of other revisions of a technical nature regarding which Region 2 is currently consulting with OSWER. We expect this consultation process to be completed next week.

However, because of your particular interest in reviewing the revisions that are specifically related to the March 19 email, we felt it would be helpful to provide you with the attached version at the earliest possible time. (The offices involved in the review reached agreement earlier today.)

Please let us know if you have any questions, comments, suggestions, etc., with respect to this group of revisions.

-Walter
